

Never Give Up

November 22, 2020

Chris Stull, Pastor

That is why we never give up. Though our bodies are dying, our spirits are being renewed every day. For our present troubles are small and won't last very long. Yet they produce for us a glory that vastly outweighs them and will last forever! So we don't look at the troubles we can see now; rather, we fix our gaze on things that cannot be seen. For the things we see now will soon be gone, but the things we cannot see will last forever.
