

WELLSPRING KIDS GATHERING

(During Covid-19)

AGE GROUPS

Babies-1 year: Classroom (down hallway, 2nd door on the right)

Preschool 2's-4's: Classroom (down hallway, 1st door on the right)

Kindergarten-5th grade: Multi-purpose room (MPR)

CHECK-IN STATION

- Security name tags issued at check-in station.
- Hand Sanitizer is available at check in stations.
- Health Screening Questions to consider before coming: Has your child or anyone in your household had a fever, chest congestion, difficulty breathing? Has your child been exposed to anyone who has been diagnosed with Covid-19 in the past 14 days. If you answered yes, please worship with us on-line. Kids resources for bible learning are available on our website.

DROP OFF-PICK UP

- Classrooms for Babies-Preschool have limited capacity to ensure safe teacher to student ratios and to allow for physical distancing. Teachers and Debbie Alvarez will make decisions about when a class reaches capacity (based on a couple of factors) and we'll let families know. If class is closed, due to room reaching capacity, families are encouraged to worship together in the gym.
- One adult drops off and picks up to reduce hallway congestion.

SANITATION & CLEANLINESS

- Masks are available and required for children ages 6 years & up, when entering and leaving the building. Once in the classroom, when there is physical distancing possible and in place, children may have the option to remove their mask.
- Hand washing or sanitizing stations are in each classroom.
- Personal supplies available (crayons, scissors, glue...) for each child.
- Personal items should be kept at home (diaper bags, toys, stuffed animals...)
 - For Babies: Ziploc bags will be available for your baby's items such as, diapers, wipes, bottle, pacifier...
- Rooms are sanitized before and after use.
