

## HELLO FROM WELLSPRING KIDS!

We want to partner with you in guiding your children in understanding God, faith and the bible. Each week, we will post bible lesson videos designed especially for children ages Preschool-Kindergarten and  $1^{st}$  -  $5^{th}$  grade. Use the videos as resources to help you in discipling your family.

Blessings, Debbie Alvarez Wellspring Kids Minister

P.S.-Be sure to check out the <u>Parent Cue</u> to follow along with each week's lesson.
