WELLSPRING
CHURCH

About Groups

Every week men, women, and students from Wellspring and around the community meet together to pray, study the Bible, and care for one another. These groups provide community and discipling for those seeking to grow in their faith.

We offer Life Groups and Ministry Groups. Life Groups (most groups meet for 90 minutes) are for adults and have mixed ages, marital statuses, and genders.

Ministry Groups are our Men's and Women's groups are for adults and are gender specific.

The young adult Life Group is geared for ages 18-26 and includes married and unmarried young adults.

Finally, there are student groups for grades 6-12.

Most groups begin the second week of January, but contact the group leader for details.
