

# Experience choices

---

Zona Camp has four Experiences for students to choose from. Experience schedule will be from after Morning Celebration until mid-afternoon. Below are the Experiences to choose from.

## Zona Experience

The ZONA Experience is more than just a camp—it's a place where teens will have fun, make lasting memories, and dive deeper into their faith. With practical breakout sessions designed to help you apply God's Word to your everyday life, meaningful Bible studies, and exciting activities, you'll leave inspired and equipped to grow in your relationship with Christ.

## Mission Life

Mission Life is an on-campus mission experience for those students looking for a hands-on experience to serve others. Students will have multiple opportunities to partner with outside organizations in Riverside to help give back to and aid in the ongoing efforts of these partner organizations. An adult leader with sufficient transportation (proof of vehicle insurance required) for every student from their church that has signed up for this experience and a Mission Life form is required if anyone in your group chooses this Experience. Drivers for Mission Life are to maintain a clean driving record which will be verified by the AZMN.

## Impact

Impact is a dynamic, three-level leadership development track designed for high school students who are ready to take their faith and influence to the next level. This track is perfect for students who currently serve in leadership roles, aspire to become leaders, or are more mature in their faith and eager to grow.

Each level of Impact builds upon the last, progressing from self to the church to the world:

- **Impact 2: The Church**
  - Learn the importance of the church, your role within the body of Christ, and how to lead and serve effectively in a church context. This level emphasizes teamwork, service, and the mission of the local church.
